Obviously, it will certainly not obligate you to take numerous pages. Merely page by web page depending on the time that you have to review A Trojan Called Viking By Cornel M. Boyd

A TROJAN CALLED VIKING BY CORNEL M. BOYD PDF

In this candid memoir, Cornel Boyd discusses his life and his love of football. Boyd also explores the challenges of growing up in the seventies with his family and friends, at a time when racism was rampant in many parts of the country, excluding Washington, Dc, where he spent part of his time. Football was a positive and significant facet of Boyd's life from an early age. He went from playing football on playgrounds to playing very well in high school; his life centered on the sport, which was so important to his football-loving school and town. Boyd touches upon the more painful aspects of his early life as well; he endured sexual abuse while young, the devastation this caused in his life took a great deal of time to overcome. In school, he wondered whether anyone else was experiencing the shame and humiliation that was part of his everyday life. Spending time in Washington, Dc, brought a welcome relief from the abuse, as did playing football and hanging out with his friends. Affecting and inspiring, *A Trojan Called Viking* provides an honest look at a life full of challenges and successes set against a backdrop of football and friendship.

0 of 0 people found the following review helpful.

The run into the state championship was a joy to behold

By Larry Draughn Sr

Cornel takes the reader well into his childhood experiences. The journey continues into his teen years. You sense the coming together of teammates on the gridiron. I learned so much from Cornel's perspective of a coach's idiosyncrasy. The run into the state championship was a joy to behold! Cornel took you into the "behind the scenes" of his senior year of football. He took you into the highs and lows of his final season of high school. All in all, it was a very good read.
