Great Read!!!

By Kim Sparks

I loved it from the beginning to the end. I couldn't put it down once I started reading it. The things that Rose discovers about herself and what she can enjoy living with Mr. Greenwood, Kathy and Sam is very intriguing. Will she learn to like the life style and be able to join or share in the fun or not? Will she soon discover feeling for Nick or Sam? Will she be able to learn to share him with all that goes on too?

hot read

By Nadine

Nick is the Master of the house, while Kathy the housekeeper is his submissive, Sam the houseman is his ultra-submissive, and now Rose who has been hired to get the library in order he hopes to train as his newest submissive. Great chemistry between all four main characters.
