A good collection of music notes and lyrics for a good price. Of all Dino's classics in one single book. Good deal!

### Bringing back memories

By John T. Prestigiovanni

I am a big Dean Martin fan and have several of his cd's. That got me thinking about playing some of his songs on the keyboard. Of the 30 songs in this songbook, at least 18 were ones that I really liked and wanted to learn to play. I really enjoyed "You Belong to Me", "Volare", "On an Evening in Rome" and "Ain't That a Kick in the Head". I have been looking for some of these songs for a while so it was nice to see them in one spot.

It has the chord symbols above the staff for those who can't read piano sheet music.

I have found some songbooks have a lot of songs that I don't like, just to get to the ones I do like. In this case the book was well worth the money as I enjoyed well over half the songs.

Disappointing.

By RICHARD E MCFARLAND

Poor arrangements, generally not in the song's original keys, means that there are very few "good" selections in this anthology.
