The third book in the Unfortunate Fairy Tale Series All that glitters is not gold. When something precious is stolen from sixteen-year-old Mina Grime, she will do anything in her power to get it back, even if it means traveling to the dangerous Fae plane and battling one of the strongest fairy-tale villains yet. However, nothing can prepare Mina for the dangerous obstacles she will face in the Fae world, or the choices she must make when love and life are on the line.

Such an awesome series!

By Lori Palle

"I would rather go through the front door and tackle the giants than have to life-saving-suck-kiss you for five minutes."-Mina

Chanda Hahn's latest in the Unfortunate Fairy Tale series does not disappoint. Mina is as feisty as ever and like in the previous books, the secondary characters and their scenes with her make a very entertaining tale. In Fable, like with Fairest, we're once again dealing with the shocking ending from the previous book. This time, we start off a few months later, passing over summer vacation as our heroine starts her junior year of high school. Unlike Fairest, which started with a bang as Mina faces her curse head on, Fable starts with a very disinterested Mina doing what she can to avoid wandering into a quest. Unfortunately, her disinterest leads to a shocking start to the book!

Now, not only does Mina have to deal with a life-threatening curse, she has to deal with a gut-wrenching loss, losing almost everything she owns, Jared's mysteriousness, Ever and Savannah White's loathing, a really bad bargain with a really bad Fae, and the love of her life being a knight-in-shining-armor...to someone else! Luckily, she's got Jared's loyalty, her best friend Nan, a new water-friendly ally, and Fae Godmothers (all inclusive-not just fairies anymore!) to make sure Mina still has her sanity... oh, and stays

alive!

Like the previous two books, this is a great read. It has humor (Mina and Jared's scenes are hilarious), action, and a great story line with shocking twists! Fable reveals more about the history of the Grimm curse, and we get to peek into the Fae plane! We also get to see why the Fae are so interested in our world. Mina is such a great heroine, and there isn't a moment where I'm not rooting for her to break the curse. Her situation is so crazy, and I love how she deals with it because she loves her family.

The twist in the end was a huge surprise to me, and at the end, all the rules suddenly get rewritten as Mina has to face the unthinkable! I can't imagine where future books are going to go from here, but I can't wait to pick up the next book to find out! Like before, there is enough backstory that you can pick this up without reading the first two, but I definitely recommend reading them first (the first book ebook version is free, so there should be nothing stopping you from picking that up). While the ending is awesome and makes you want to read the next one immediately, it's not really a cliffhanger. Like the first two, I highly recommend this book to all ages, especially those that love faery tales! This is an absolute 5 out of 5 for me!

A Series I never thought I ever would fall in love with

By Amazon Customer

When I first came across this series I didn't think it would get me hooked, but when I finally decided to give it a chance I was not disappointed. I love the fact that the quest Mina has to do is a twisted tale of our favorite stories when we were young. It something new, different, and fresh. I love all the characters in the series but my most favorite is Jared. "Dreamy Sigh" Fable just made me fall in love with him even more and before fable came out I was predicting how I think Mina and Jared relationship would be in the 3rd installment and let just say I turned out to be right. But I always was shocked when I got to the end because that wasn't what I was expecting!! I love it and it left me wanting more!!

If you have not read this series yet, than I say, "Quit looking at the reviews and get it now because this is a tale you will never forget!!!"

I can't wait for the 4th book to come out so we can find out what is next for our Mina Grimm!!!

Hope this was helpful to you :)

LOVED IT...

By ANIL PURI

This book was so much more awesome than the first two...that end tho! I especially enjoyed how Jared and Mina were closer and more intact..... WRITE THE FOURTH BOOK ALREADY This is a great read for teens who missed the Disney days.. It has an amazing ploy line with a twist to every thing...
