Billionaire Greek playboy Dareios Anaganos has a way with women: he loves them, then he leaves them. But lately the one woman he can't keep his eyes off is the one he can never touch: his best friend's sister, Alexandra Rosso. He's known her since they were little, yet suddenly all he can see are her perfect curves and gorgeous smile.

Alexandra can't deny she's become fixated on Dareios' blazing blue eyes and killer body. The connection between them is palpable, and it's making things awkward. She needs to get Dareios out of her system, and what better way to do that than to have a fling. When sparks fly at a masquerade party, she's hoping he'll agree to take their attraction to the next level. It'll be their little secret...

Dareios would never betray his friend Antonio by disrespecting Alex—she deserves more than he has to offer. But if he gives in to temptation, can a fling ever become something more?

Greek Billionaire's Forbidden Lover

By Nancy Dormanski

Another hit for Leslie! What do you do when you have been in love with your brother's best friend since you were little. You know he notices you, you can feel the attraction but he will not act because he know your brother will kill him. Dareios is a playboy who feels he can not commit to one woman, it is in his blood to stray. Alexandra wants to have a "fling" with Dareios so they can get the attraction out of their system, but how can she trick him into a night of passion.....a masked ball. Enjoy the struggles and adventure Dareios and Alexandra go through. Enjoy the rest of the family, the strong big brother, Antonio, his wife Claire, and Eva, Alexandra's younger sister.

I received a free copy of this book in exchange for an honest review. I was not compensated for my review. The opinion expressed here is my own.

Wow.....a must read!!!!

By Ida jones

Alexandra was the little sister of his best friend Antonio (book 1) and off limits. Being a playboy Dareios didn't believe in love & commitment. Wanting to prove that Dareios felt something for her Alexandra tries to trick him at a masquerade party. When that didn't work she decides to take full advantage when he offers to take her and her sister home on his boat. Get ready to watch the sparks fly.....a must read about a woman

who goes after the man she wants.....once again Leslie delivers. Loved this book...liked it better than book 1. Can read as a stand alone if you haven't read book one, although I would suggest you read it first. I received ARC copy for an honest review.

A must read

By Debra

This is another of Leslie's winners, I love her books. I received this book as an Arc copy for an honest review. My only complaint is that they don't go long enough but that's only because I enjoy Leslie's writing style and don't want the stories to end.

Growing up with your brothers best friend always being treated as the little sister, and now your not, how do you convince him your more than the little pest that hung around all the time.

Alexandria has a plan but will it work?? She is sexy and knows he's the one for her and will,try any thing to have him. Dareios a man who wants more but feels he can't go there his best mates sister.
