All time great gamesman

By Amazon Customer

Oswald Jacoby, the all time master of games, and one heckuva gin player.

10 of 10 people found the following review helpful.

The bible for gin rummy

By D. Blanton

If you are familiar with Brunson's book to Poker that is what this book is to Gin. The one book every gin player should have read. I am lucky to have found it in a used bookstore a number of years back.

2 of 2 people found the following review helpful.

Brilliant. A great book for the serious player

By Marty Nemko

The gold in this book is learning when to play offensively and defensively, and most important, how to read what's in your opponent's hand, not just by what he throws but by what he doesn't. If your goal in playing is simply to relax and chat, this book probably isn't for you. But if it's to become a great player and you're willing to concentrate during games, unless you're already a true expert, this book will up your game.
