WOW!!!

By David Zampino

Simply the best one-volume introduction to the Catholic faith that I have ever seen.

I was first introduced to this book (and this series) when a close friend who teaches theology at my son's high school ordered a sample set.

I was blown away. There is no other way to describe this.

The book is ideal for Catholic high schools (and, for that matter, some Catholic colleges) and also for RCIA.

You can trust this book.
