IS IT WRONG TO TRY TO PICK UP GIRLS IN A DUNGEON? SWORD ORATORIA, VOL. 1 - LIGHT NOVEL (IS IT WRONG TO TRY TO PICK UP GIRLS IN A DUNGEON? O PDF

Aiz Wallenstein, the Sword Princess, is known as one of the most powerful warriors from one of the most powerful groups in the city of Orario: Loki Familia. With them, she ventures into the deepest parts of the labyrinthine Dungeon beneath the city, stalking the monstrous denizens that lurk there and vanquishing them with the blazing light of her sword. But when she meets a certain white-haired boy, the encounter will change both of them forever...

Manga or Light Novel...all reviews combined

By RKC

Manga or Light Novel. So there is a light novel version and a Manga. I have both versions and like them equally. I've also been watching the Anime on and off. To clarify things I'm going to include links to both the Light Novel and the Manga versions in case you want the other version when you come to the reviews. For some reason you can't easily find the Light Novel version via the search box. It's there just "hidden."

Light Novel:

http://www.amazon.com/Wrong-Pick-Girls-Dungeon-Vol-ebook/dp/B00LZYBVJ4/ref=pd_sim_351_1?ie=UTF8&refRID=0HG8G3QE94QNJ9W9MRPZ

Manga:

http://www.amazon.com/Wrong-Pick-Girls-Dungeon-manga-ebook/dp/B00XIDJRVE/ref=sr_1_2?s=digital-text&ie=UTF8&qid=1434478104&sr=1-2

In any case I first watched an episode on Crunchyroll and then decided to get the light novel (which was the only version available at the time). I then ended up getting the Manga too since I wanted to support the creators and I really liked the story, concept, and the artwork.

“I hate that someone else changed him.”

By Xyon McKell

Bell Cranel has big dreams of meeting and impressing the perfect girl while adventuring in his city's monster filled dungeon. He's off to a poor start when he becomes the damsel in distress and said dream girl rescues him. Further complications loom as the goddess he serves might just be jealous...

There are several interesting core concepts here, but the test of the story going forward will be whether they will all come together in a compelling way. I like Hestia herself, but the god hierarchy, rivalries and schemes (not to mention the several page argument/taunting about breast sizes) all feel run of the mill at this point and aren't as intriguing as Bell's end of the story. So at the moment certain elements are much more engaging than others.

Bell's central desire to get stronger is incredibly cliché, but so far it's being done well and has a nice twist with his growth potential possibly allowing him to get too strong, too soon.

The RPG trappings of the world are acknowledged in world as fact, which allows some fun perversions of said trappings without explicit fourth wall breaking. For example, character's actually have experience gained and other stats and skills magically appear on their back to be totaled and tracked by their god, and it's treated as a completely normal part of life. This approach is odd, but presented and handled in a fun way.

Decent start. I could definitely see myself reading more.

Must read for fantasy lovers

By Kindle Customer

I first started with the anime. I found the anime to be very good so decide to read the light novels that went with it. I must say I was not disappointed. The book allows a much deeper insight to characters and story then the anime did. It is interesting concept. It uses similar concepts that have been used before but with its own spin. It a nice twist of action, fantasy, and comedy. If you like the fantasy genre or you have seen and like the anime then it is a must read. Can't wait to read volume 2.
