Excellent Musical Theatre Show

By A Customer

Joseph and the Amazing Technicolor Dreamcoat is the perfect show for children and adults alike. The kids like the larger than life characters while the adults can appreciate the tongue in cheek humor expressed in the songs.

This book is a nice addition to any songbook library, as it includes all of the songs from Joseph as well as the accompanying piano part. If you enjoy musical theatre, sitting around the piano and singing, this is a great book to get.

Joseph

This is a great score. All the songs are included (with the exception of the Prologue, but as other reviewers have stated, this is the same music as "Pharaoh's Story", which is included in the book). The different voice parts are included, and all of the harmonies.

Surprisingly, the book itself is much smaller than I had expected. It is not the size of a normal piano book, and the music itself is smaller than I would have liked. Nevertheless, it is definitely worth buying.

Joseph and his amazing technicolor dreamcoat

By Alexander Bell

The book was just what we wanted-music and words with piano accompaniment. They came in excellent condition and we felt the price was fair. The shipment came quickly and everything was well packaged.
