JOURNEY TO THE WEST: THE MONKEY KING'S AMAZING ADVENTURES (TUTTLE CLASSICS) BY WU CHENG'EN PDF

China's most popular traditional novel, *Journey to the West* is the thrilling story of the Monkey King and his epic quest, with his trusted companions, to redeem himself. They face fantastic foes, demons and monsters during their amazing adventures traveling to the Western paradise.

No matter what obstacle was put before him, the clever, wily Monkey King always got what he wanted—unimaginable strength, eternal life, even his own position in the Celestial Realm with the gods. More than anything else, though, the Monkey King loved mischief and rule-breaking, and was sure he was the most powerful creature in the world.

But after defeat and punishment for his tricks, the Monkey King found himself wanting some things he never expected: to be disciplined and good enough to help the monk Hsuan Zhang on his mission to bring Buddhist Scriptures—and enlightenment—to China.

Readers of all ages will thrill to Timothy Richard's retelling of the Monkey King's exploits—whether in the Dragon King's underwater castle, the Halls of the Dead or the palace of Buddha himself—and find themselves captivated as the Monkey King joins Hsuan Zhang and their companions the Dragon Horse, the Monk Sand and the equally mischievous Pig on the dangerous trek West. Despite the tale's ancient origins, *Journey to the West* proves as fresh and engaging an adventure as anything written today.

Get Waley's Instead

By Alex

This edition of *Journey to the West* really has no reason to exist. It's basically a rephrased version of Arthur Waley's classic abridgement, but without the whimsical fun factor. Also, the illustrations are borderline terrifying. The cover looks fine, but the pictures scattered throughout the book are hideous. Why does Sun Wukong look like a grizzled hellbeast?

Monkeys!

By Chinadoll123

To be honest I skimmed it at best. It was a gift to someone I know is year of the monkey :-) They were pretty thrilled with it though. We don't really believe in the horoscope stuff but it is fun to get things like this.
