Short and easy read! Most people can identify with the feelings and emotions experienced by Kevin (the main character) as he goes on a journey with his new friends that he meets along the way in the "Healing Forest." As the story unfolds, you'll ask yourself what you'd do if you were Kevin; and you too will be forced to take a long, hard look inside yourself and determine if you have what it takes to step out of the forest.

To the author: Inquiring minds want to know if Kevin's friends allow him to leave the forest? And if so, where does the "journey of visibility" take him?

An Emblem For Healing

By Meia

This book is an emblem for those that require a visual to help them see how they are held captive in their own fear, guilt, anger and pain. It gives a great visual to those that need a description to guide them to heal. It's a great therapeutic guide for a young person that's definitely in need of Hope, Love, Compassion and Joy to their life. Yet, a good source for anyone struggling with their "visibility" through life. I personally enjoyed reading it because I thought, "Only if I had this to read before now, my path to healing would have started a lot sooner!" I really did enjoy it...and it was an easy read. I definitely recommend it.
