Review

"Getting around the law library can be easy?if you just know where to look-and Legal Research the place to begin". Library Journal "The 16th updated edition of Legal Research: How to Find & Understand the Law tells how to locate key laws and cases either online or in a law library, how to draft legal memoranda, and how to make the most of the Web and a legal library to locate statutes, cases, background information and answers to specific legal issues. Chapters offer keys to organization, "shepardizing", prioritizing, using indexes, and analyzing the effect of a case on your particular issue: in short, it outlines the basics of an attorney's research and judgment process and will help users save hundreds of dollars in attorney fees just by doing some of the legal legwork that anyone can do. Very highly recommended!" The Midwest Book Review

KINDLE BUYERS BEWARE

By UPSET!

KINDLE BUYERS BEWARE!! This is a great book, nothing wrong with it. **HOWEVER**, again Amazon is counting on its clients to just give up when receiving a low quality service. This Kindle version is marked as having "pages" but it doesn't, and for a textbook, pages are a must!! This is the second time I have been deceived by Amazon on this issue. If the Kindle version only has "location" please Amazon, do **NOT** put on the information that it has pages!!! You made me lose some precious time! I will **NEVER** purchase a textbook from Amazon...you fool me once...you fool me twice....**NO MORE!**See all 1 customer reviews...
