Les Aventures d'Isabelle

by Karen Rowan

Isabelle is a 8½-year-old girl who can't seem to keep herself out of trouble on a visit to Paris with her mother. She wants to be the president when she grows up. Or a ballerina. Or the president and a ballerina. She's dramatic. She sings on the subway, eats screams like a baby after eating a cheese that is too strong, and convinces her mom to buy new shoes for a big family. No matter how often her mom asks her to sit down like a normal little girl, she just can't help getting up to take more pictures of her adventures. When will Isabela ever sit down?

Les Aventures d'Isabelle is a Fluency Fast novella for true beginners. It uses a vocabulary of only 230 words to tell a 2300-word story. It is repetitive and simple and uses many cognates to make the book comprehensible to beginning adults and children. Les Aventures d'Isabelle is a Fluency Fast novella for true beginners. (Re-) Introduction to French- A very basic reader for beginners

By Amazon Customer

I purchased this book as a supplement for a High School French 2 class that needed something beyond vocab and grammar. It is a very simple book, full of easy vocabulary and grammar that becomes slightly more complicated as the stories progress. It has a chapter-by-chapter dictionary and some illustrations. I especially appreciate the cultural references that Isabelle makes throughout the book--she visits various places around Paris, which can then be explored by the students through other avenues.

My only 'complaint' (hence 4 stars) is that the book is rather short. Half of the book is the chapter-by-chapter dictionary in the back, along with a short cultural glossary. However, the 10 chapters that exist are great opportunities for students to find success reading French, which is a good motivator for them.

The level of the French is very basic and repetitive--designed this way to promote memorization of various phrases or vocabulary.

If you are looking for a good supplement to the everyday grammar and vocabulary exercises, I would

definitely recommend this book.

Students like it, perhaps not quite as well as "Brandon ...

By TeConVino

Students like it, perhaps not quite as well as "Brandon Brown Veut un Chien." This book does give the students an opportunity to learn a little about Parisian landmarks.
