SPEAK TEXAN IN 30 MINUTES OR LESS BY LOU HUDSON PDF

This perfect stocking stuffer is a parody of Berlitz phrasebooks. Veteran Lone Star journalist Lou Hudson has spilled the beans on how best to wrap one's tongue around Texaspeak so that even recovering Yankees can make their way in this whole other country.

Finally there's hope for that brother-in-law from Hoboken and your banker from Duluth. Folks like them will be able to make themselves understood to Texans without having to revert to notepads and hand gestures.

Speak Texan not only is a pronunciation guide but also a handy work that provides numerous insights into Lone Star lingo and the thinking that goes behind it in a very entertaining format. It's designed to fit in the rear pocket of your Wranglers for a quick point of reference.

Hudson was born, weaned, and schooled in Texas and has never lived anywhere else. The rest of the book is pure de Texas too. Designer Ty Walls also is a lifelong Texan. The whole deal was conceived in Fort Worth. Can't get more Texan than that, surely.

Speak Texan is the first work of the aggressive, but nearly mythical Texas Twang Preservation Society. Its conception was motivated by the need to conserve, promote and document the lingua franca of this unique state of mind, endangered as it is by Hollywood mis-elocution and by for-profit, accent-reduction scams.

Howdy!

By EG78

I bought this book, as well as Texas Speak Advanced Course, & personally, I think this one is WAY better. Before I moved here, I called a realtor & said I was looking at Del Valle, which I pronounced "del-VAH-yeh," which would be, uh, Spanish. She said, "No, this is TEXAS. We say Del VALLEY!" (HA!) So, I really got a kick out of the "correct" pronunciations of the town names, not to mention the "rules" regarding proper cowboy boot and/or hat wear.

I gave it 4 stars instead of 5 because: I have lived in the South my entire life, & some of the terms defined in this book are NOT uniquely Texan. (gasp!) "Y'all," for example. EVERY Southern person from ditch diggers to Ph.D.'s says "y'all." Likewise with "fixin' to," among others.

I also think "heighty" is the phonetic spelling of "howdy," & I think that because I SAY it all the time. ;)

Overall, though, I thought this book was a pure-D HOOT, I tell you what, & have bought several copies to give away at Christmas.
