Most helpful customer reviews

1 of 1 people found the following review helpful.

Author Goes in the Wrong Direction

By Victorious

The first chapter starts with the author in awe of a giant and growing church in Asia. The Asian pastor tells him that the people respond and the conversion rate is high because of the power of prayer. The author then ignores the pastor and pursues studying revival seeking after what worked for others instead of seeking God. He then instructs on how to fight a battle that Jesus has already won for us.
