About the Author

As a pioneer in both financial investments and philanthropy, Sir John Templeton spent a lifetime encouraging open-mindedness. Templeton started his Wall Street career in 1937 and went on to create some of the world's largest and most successful international investment funds, eventually earning the label of "arguably the greatest global stock picker of the century" from Money magazine. In 1972, he established the world's largest annual award given to an individual: the £1,000,000 Templeton Prize. The Prize is intended to recognize exemplary achievement in work related to life's spiritual dimension. Templeton also contributed a sizable amount of his fortune to the John Templeton Foundation, which he established in 1987. Templeton passed away in 2008, but the Foundation that bears his name continues to award millions of dollars in annual grants in pursuit of its mission to serve as a philanthropic catalyst for research on what scientists and philosophers call the "big questions."

TEMPLETON PLAN: 21 STEPS TO PERSONAL SUCCESS AND REAL HAPPINESS BY SIR JOHN TEMPLETON PDF

Sir John Templeton (1912–2008), the Wall Street legend who has been described as “arguably the greatest global stock picker of the twentieth century,” clearly knew what it took to be successful. The most important thing, he observed, was to have strong convictions that guided your life—this was the common denominator he saw in all successful people and enterprises. Fortunately for us, he was eager to share his own blueprint for personal success and happiness with the rest of the world. In *The Templeton Plan*, he laid out the twenty-one guiding principles by which he governed both his professional and personal life. These principles were grounded in virtues that he considered important enough to be considered the “laws of life”—they include honesty, perseverance, thrift, enthusiasm, humility, and altruism. From this moral foundation, Templeton formulated a step-by-step plan to help improve anyone’s personal and professional life. Among the steps he enumerates, readers will find:

- Four exercises that will help anyone find the positive in every negative.
- How to be the one person in ten that will productively use more time than they waste.
- The secret trait that separates great workers from good workers.
- How to control your thoughts for effective action.
- The practical applications of a sense of humility.
- How successful people approach risks differently from most people.

Taken as a whole, the lessons contained within his twenty-one steps will help readers make lasting friendships, reap significant financial rewards, and find personal satisfaction. Ever a believer in the future’s vast potential, Templeton hoped that sharing his principles would inspire others to seek their own laws of life, formulate their own plans, and find success and happiness on a scale exponentially greater than his own. He freely admitted that he didn’t know everything and that there was yet much to be discovered about prosperity and joy. *The Templeton Plan* not only offers his recipe for success, but also shows us the way to formulate our own plans.

A rare gem!

By unlimited_09

I can say confidently that from among the hundreds of books I have read on success, finances and relationships, this book is in the top five books! Wish I had read this book when I was much younger! Sometimes I feel that I should just gift this book to everyone I know (especially the younger ones in teens and early 20s).

Personally, I got this book after reading about Sir John Templeton in Canfield's book "Success Principles". I wanted to know how Sir Templeton became a billionaire by saving 50% or more of his monthly income (while still tithing). I not only found the financial questions answered, but also got all the invaluable life lessons and principles.

A compact book of gems! Through Templeton's twenty-one step ...

By LOO MENG GEE

A compact book of gems! Through Templeton's twenty-one step program, one can learn how a person who lives by God's principles is the same person who will succeed in life, making lasting friendships and becoming wealthy.

Love....it!

By Shuga

Love, love, love! A must read, you can tell that this man was a humble man. His thoughts are full of wisdom, it's more to it than just becoming successful, but what do you do on your way there and how to remain there when you arrive.
