Excellent short-answer dictionary

By Kindle Customer

I really like this book. I think it's theologically sound and gives you quick, articulate answers to often-asked questions. Helpful in responding to co-workers or blogs. Sometimes it even helps in responding to fellow believers who are quick to condemn you for something non-essential to salvation. I'm glad that I got this book.

Excellent Christian Resource

By Richelieu1

I have listened to Hank Hanegraaff on his Bible Answerman radio show for years. He provides biblically based answers to questions about Christian beliefs and practices as well as life questions - including specific references from the Bible text as well as lay resources. This book is a fantastic resource covering a full range of questions including religions and religious beliefs, life problems and current issues as they relate to the bible, explanation of doctrines, and perceived bible difficulties, errors, and inconsistencies. Each answer has references for further investigation.

Furthermore the form factor is excellent. The binding and pages are first rate. It fits well on an end table or night stand, available for instant reference or regular reading and study. I have given several to family members and friends as gifts. It is an exceptionally useful informative resource.
