Great tool!

By Mom of 3

When our 8-year-old daughter found out we were going to move out of state, she asked for moving advice. I found this book and she devoured it. It told her what to expect before and after the move, and it had places for her to journal. It was just what she needed to help her through the biggest event in her life so far.

Great Book

By Kelly M Dominic

My daughter is 9 and we are relocating. This book was the perfect book for her. She loves it and is more comfortable with the changes our family is making. Thanks so much!!! Would recommend to any child faced with a move.
