THE POISON PEN: A CLARA FITZGERALD MYSTERY (THE CLARA FITZGERALD MYSTERIES BOOK 6) BY EVELYN JAMES PDF

As the winter of 1921 slowly turns to spring, certain residents of Brighton find themselves at the mercy of a poison pen writer, who is spreading rumours and innuendo about the town. Disturbed by the scandal this could cause, Mrs Wilton, one of Clara's first clients, returns to Brighton's first female private detective seeking help. But how can Clara find a person who chooses to remain anonymous? Could the elusive Mrs Prinner be the key?

In the meantime she has other matters to contend with, as Inspector Park-Coombs of the Brighton Constabulary is convinced there is a traitor among his men. A mysterious accident and missing evidence suggests someone on the inside is giving the criminals of Brighton a helping hand. They might even be responsible for Clara's near fatal encounter with Billy 'Razor' Brown the year before. Park-Coombs needs an unbiased outsider to investigate on his behalf, but is Clara in over her head? And could the traitor be someone she already knows?

Torn between her two cases, Clara must dash across Brighton in a frantic quest to find the truth. In the process she will discover more about the town's hidden underworld than she ever wanted to know and put the life of a policeman in danger. Can Clara reveal Park-Coombs' traitor before it is too late?

Characters and plots are still strong.....

By Amazon Customer

Another great story. Once again the characters were delightful. I would categorize these stories as cozies even though there's a bit more seriousness to them. Clara Fitzgerald investigates anonymously written letters being sent to her neighbors and, as usual, is investigating a second mystery involving a possibly bribed police officer at the local station who has aided in not only destroying files but almost killing one of his own. Along the way a further character is introduced.....none other than the great detective writer herself, Agatha Christie. Of course Agatha has only written one book at this point and is still in the early stages of her career. She plays a minor background character in this book but it was fun having her there. This is a fairly quick, enjoyable read and unlike book five in the series (which I hope they have revised) this book has only one or two typos which is much appreciated.

A fun series

By muddyboots

I have now finished all the books in this series, I believe. This one was fun with a nasty person or persons writing poison pen letters plus assorted other happenings.

Oh Agatha

By Amazon Customer

I liked the period setting, how different from today. Social conformity expected. Gossip, hate, betrayal and drugs. What more could you ask for
