Great new author -twisted sense of humor!

By Amazon Customer

This is a great new author with my kind of sense of humor!

Reminiscent of Terry Pratchett and Douglas Adams, this is a great first book.

I will enjoy reading as this author refines his style -and I NEED to know where this story goes!

Definitely worth a read :)

A Delightful Read

By J. Coulter

The Reluctant Messiah was a delightful change of pace for me to read. The concept of the story was quite original as well.

I found the characters to be unlikely candidates for the task they faced which is what made the story seem so real. The tale was well thought out and a fun read.

I hope to see more from this author in the future and I highly recommend this book to one and all.

Great Read!

By Jason

This book draws on the spirit of The Hitchhiker's Guide to the Galaxy and manages to be humourous and silly at times, without it taking away from the story as a whole. A very worthwhile read!

Definitely interested in seeing what this author does in the future!
