Past is past

By Amanda Cutlip

My mama was an avid reader. I remember her speaking of the flood and the blood saying, "If you want to know about your mama and her beliefs read the flood and the blood." For many years I have searched for this book. I did not have the through part is why I couldn't find it. I have falling short in giving God credit for who I am and where I am today. And I hold onto my past. I forgive others but I fall short in forgiving myself. I am a work in progress. This book in for those who believe and those who don` t. It is about leaving the past behind moving forward without judgement .
